

Certificate of factory production control

No 1325–CPD–1661

Inspecta Latvia has granted this certificate as proof that

Stainless steel insulated chimney products

EN1856-1-T450-N1-D-Vm-L50050-O(100)

with liner diameter from 80 mm up to 600 mm,

produced by the manufacturer

„AKVILON” LTD.

K. Barona iela 29/2, Rīga, LV 1011; Reg No 50003057361

Address of manufacturer: „Akvilon” Ltd., Rencēnu iela 7, Rīga, LV-1073.

Certified according:

Certification scheme 2+, based on evaluation of Factory production control and surveillance, which includes evaluation of FPC according to Annex ZA of the standard LVS EN 1856-1:2009

Product complies with the requirements of the standard:

LVS EN 1856-1:2009

Manufacturer or his authorized representative established in EEA is entitled to affix CE marking as described in Annex ZA of LVS EN 1856-1:2009.

Certificate is issued according to Regulations of LR CM No 181 (30. 04. 2001), Council Directive (89/106/EEC) Article 14 (1) (b)

The certificate remains valid as showed above on the proviso that conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

Issue date: 12.05.2010.
